1.Choose UAE country, Arabic language and click "Go" button 2.Find Zara Home action button	1.The page is reloaded, the country and the language are changed 2.The pop-up menu is appeared at the right side of the screen (for any other language the pop-up menu is appeared at the left side of the page)

Attachments

The screenshot shows the Zara Home website interface in Arabic. The main visual is a promotional banner with a yellow fruit on a white plate. The word 'تخفيضات' (Discounts) is prominently displayed in the center. The Zara Home logo is located in the top right corner. A navigation menu is visible on the right side of the page, listing various categories in Arabic. The overall layout is clean and modern, typical of a retail e-commerce website.

Attachments:	 <p>The screenshot shows the Turkish Airlines website's flight search interface. At the top, there's a navigation bar with the Turkish Airlines logo and links like 'Corporate Club', 'Miles&Smiles', 'Feedback', 'Search', 'Currency', and 'EN - US'. Below this, there's a main search area with tabs for 'Flight', 'Flight + Hotel', 'Check-in / Manage booking', and 'Flight status'. The 'Flight' tab is selected. Underneath, there are radio buttons for 'Round trip' (selected), 'One way', and 'Multi-city'. A checkbox for 'Award ticket - Buy a ticket with Miles' is also present. The search form includes fields for 'From' (Lviv), 'To' (Lviv Danylo Halytskyi (LWO)), 'Departure' (Tuesday 26 Jul), 'Return' (Friday 29 Jul), and 'Passengers' (1 Passenger ECO). A red box highlights the date fields. A 'Search flights' button is on the right. Below the search form, there are three sections: 'Additional services', 'Travel restrictions', and 'Campaigns'.</p>
